From the QR code above,
you can download the very brush
used for the pubic hair in this work.

Actually, that one goes to my website. If you want the actual brush, buy this doujinshi!
You can find it at Tora no Ana or Melonbooks while stocks last.
(Yeah, I'm not very convincing, am I? Oh, well. At least I can say I tried.)

A note: the title of this work in Japanese is 「いんもーと」 (*inmōto*), which is a portmanteau of 「陰毛(いんもう)」 (*inmō*, pubic hair) and 「妹(いもうと)」 (*imōto*, younger sister). Just in case you wanted to know.
